

Hora de la Chircani

(Basarabia)

2/4 meter, mixed lines

Introduction: 8 meas

The image contains five systems of handwritten musical notation, labeled A through E. At the top left, there is a crescent moon and a circle. To the right of these is a wavy line with four dots above it. The notation systems are as follows:

- A:** A sequence of eight measures. The first measure has a double bar line and a colon. It contains a square with '1A' above it, followed by a square with '2A', a square with '3A', a square with '4A', a square with '5A', a square with '6A', a square with '7A', and a square with '8A'. Arrows indicate directions between measures.
- B:** A sequence of eight measures. The first measure has a double bar line and a colon. It contains a square with '1A', a square with '2A', a square with '3A', a square with '4A', a square with '5A', a square with '6A', a square with '7A', and a square with '8A'. Arrows indicate directions between measures.
- C:** A sequence of eight measures. The first measure has a double bar line and a colon. It contains a square with '1A', a square with '2A', a square with '3A', a square with '4A', a square with '5A', a square with '6A', a square with '7A', and a square with '8A'. Arrows indicate directions between measures.
- D:** A sequence of eight measures. The first measure has a double bar line and a colon. It contains a square with '1A', a square with '2A', a square with '3A', a square with '4A', a square with '5A', a square with '6A', a square with '7A', and a square with '8A'. Arrows indicate directions between measures.
- E:** A sequence of eight measures. The first measure has a double bar line and a colon. It contains a square with '1A', a square with '2A', a square with '3A', a square with '4A', a square with '5A', a square with '6A', a square with '7A', and a square with '8A'. Arrows indicate directions between measures.
